To Whom it May Concern,

My name is Kelly Thomas and I am the Director of Columbia College Child Development Center. It is my honor to write this letter of recommendation for Katie Wydick. I had the pleasure of being her supervisor from May 2022-May 2023.

Katie grew so much as a student teacher in our child development center. The children were naturally drawn to her, she was a great team player, and she developed strong supportive relationships with the families as well.

Work ethics are a strong suit of Katie's, as seen by her reliability, initiative, attention to detail, and dedication in being the best that she can be so that others can be their best as well. As a student at Columbia College she excelled and helped others along the way.

Katie asks great questions, applies feedback, and knowledge into becoming a strong leader in the field of Early Care and Education. I am confident that she will continue to grow in your program and be a great asset to your team.

If you have any questions or need more information about the passion and amazing talents of Katie Wydick, please feel free to contact me.

Sincerely,

Kelly Thomas
