Experience

Acorns to Oaks

Chico, CA

Assistant Teacher

April 2024 – May 2026

- Provided high-quality care for infants and young toddlers in both English and ASL, implementing age-appropriate early learning activities to support developmental milestones and early childhood growth.
- Coordinated with parents, teachers, and support staff across a large childcare program to effectively communicate each child's individual care needs.
- Ensured a safe and nurturing environment in accordance with daycare and state regulations.

Columbia Child Development Center

Columbia, CA

Student Teacher

May 2022 – Dec 2023

- Supervised the activities and safety of twelve toddler-aged children while promoting positive behavior and developmental growth.
- Assessed children's developmental progress and implemented developmentally appropriate curriculum and learning experiences with DRDP and ITERS/ECERS rating scales.
- Partnered with families and staff to support student success and cultivate a warm, enriching, educational classroom environment.

Involvement

Child Development and Future Educator's Club

Columbia, CA

- Organized and led educational community events for children and families in the local community, promoting early learning and engagement.
- Strengthened foundational teaching skills through professional development workshops and peer collaboration to enrich my own learning of child development, while contributing to the community.

Sign Sign Club

2024-2026

- Participated in an American Sign Language (ASL) community group to enhance language proficiency, build meaningful connections within the Deaf community, and foster bilingual community relationships.
